

Placement Structure

EDU4007: Evidence-Based Practice – Graduating Placement (Secondary)

25-day placement in a Primary or Secondary setting

Alongside the expectations listed below, PSTs should also have thoroughly read the Professional Experience Handbook and the placement subject's Subject Learning Guide and LMS site. PSTs should discuss these expectations with their Supervising Teacher.

Lesson Planning

For a 5-week (25-day) placement: **6 lesson plans using the LTU lesson plan template need to be completed and submitted.**

For other teaching PSTs should also complete a lesson plan for any lesson they will teach. PSTs can use the school's planning templates for day-to-day planning.

Provide these plans to the Supervising Teacher the day before delivering the lesson (or earlier, if requested) for discussion.

Week	Task
Week 1, Days 1-2	Participate in the classroom and observe and familiarise yourself with the school. Observe and analyse lessons.
	Develop appropriate strategies to get to know students individually.
Week 1, Days 3-5	Team teach with supervising teacher.
	Teach or co-teach at least 6 lessons. Team teaching with supervising teacher for other lessons; observe/assist in as many other lessons as possible.
	Collect and analyse data of student learning and engage in moderation of student achievement with supervising teacher; provide feedback to students.
	Complete a Professional Learning reflection/evaluation of the students' and your learning after each day.
Week 2, Days 6-10	Teaching load: 50-75% based on supervising teacher advice.
	Undertake the planning and teaching of sequences of lessons and by the end of week plan and teach consecutive lessons.
	Teach or co-teach a minimum of 10 lessons with a focus on planning and teaching sequences of learning. While lesson lengths vary depending on school context, aim for between 2-4 lessons/day (based on context); observe/assist in as many other lessons as possible.
	Collect and analyse data of student learning and engage in moderation of student achievement with the supervising teacher; provide feedback to students.

	Complete a Professional Learning reflection/evaluation of the students' and your learning at the end of each day.
Week 3, Days 11-15	Teaching load: 50-75% based on supervising teacher advice. The focus should be on undertaking the planning and teaching of sequences of lessons and by the end of the week plan and teach consecutive lessons.
	Teach a minimum of 10 lessons with a focus on planning and teaching sequences of consecutive learning. While lesson lengths vary depending on school context, aim for between 3-4 lessons/day (based on context); observe/assist in as many other lessons as possible.
	Collect and analyse data of student learning and engage in moderation of student achievement with supervising teacher; provide feedback to students.
	Complete a Professional Learning reflection/evaluation of the students' and your learning at the end of each day.
	Midway through the placement, the Supervising Teacher completes the Midpoint Report and discusses it with the PST.
Week 4, Days 16-20	Teaching load: 60-80% based on supervising teacher advice. The focus should be on undertaking the planning and teaching of sequences of learning and control of consecutive lessons.
	Teach a minimum of 10 lessons with a focus on planning and teaching sequences of consecutive learning. While lesson lengths vary depending on school context, aim for between 3-4 lessons/day (based on context); observe/assist in as many other lessons as possible.
	Collect and analyse data of student learning and engage in moderation of student achievement with the supervising teacher; provide feedback to students.
	Complete a Professional Learning reflection/evaluation of the students' and your learning at the end of each day.
Week 5, Days 21-25	Teaching load up to 80% based on supervising teacher advice. The focus should be on undertaking the planning and teaching of sequences of learning and control of consecutive lessons.
	Teach a minimum of 10 lessons with a focus on planning and teaching sequences of consecutive learning. While lesson lengths vary depending on school context, aim for between 3-4 lessons/day (based on context); observe/assist in as many other lessons as possible.
	Collect and analyse data of student learning and engage in moderation of student achievement with supervising teacher; provide feedback to students.
	Complete a Professional Learning reflection/evaluation of the students' and your learning at the end of each day.
Week 6, Days 26-30	PSTs undertaking a six-week placement should repeat the Week 5 expectations in Week 6.

Last Day of Placement	On the final day of the placement, the Supervising Teacher will complete the digital Supervising Teacher Report and discuss it with the PST before submitting it. The report format can be previewed in the Assessment section of this handbook.
