

Placement Structure

EDU5017: Professional Identity and Ethics – As a Consolidating Placement

20-day placement in a Primary or Secondary setting

Alongside the expectations listed below, PSTs should also have thoroughly read the Professional Experience Handbook and the placement subject's Subject Learning Guide and LMS site.

Expectations differ depending on whether PSTs take this placement as a novice (first) or a consolidating (second) placement. Below are the consolidating placement expectations. PSTs should discuss these expectations with their Supervising Teacher.

Lesson Planning For a 4-week (20-day) placement: 5 lesson plans using the LTU lesson plan template need to be completed and submitted. For other teaching PSTs should also complete a lesson plan for any lesson they will teach. PSTs can use the school's planning templates for day-to-day planning. Provide these plans to the Supervising Teacher the day before delivering the lesson (or earlier, if requested) for discussion
