

## Placement Structure

### **EDU3001: Ethical Professional Relationships in Education – Consolidating Placement**

#### **15-day placement in a Primary or Secondary setting**

Depending on individual study plans, PSTs may take EDU3001 as either their third or fourth placement. Alongside the expectations listed below, PSTs should also have thoroughly read the Professional Experience Handbook and the placement subject's Subject Learning Guide and LMS site. PSTs should discuss these expectations with their Supervising Teacher.

#### **Lesson Planning**

3-week (15-day) placement: **4 lesson plans using the LTU lesson plan template need to be completed and submitted.**

For other teaching PSTs should also complete a lesson plan for any lesson they will teach. PSTs can use the school's planning templates for day-to-day planning.

Provide these plans to the Supervising Teacher the day before delivering the lesson (or earlier, if requested) for discussion.
