

Standard placement dates for 2027

Placement dates are indicative until confirmed by the Placements, Partnering & Operations Team (PPO), as securing placements depends on the willingness and availability of schools and centres. **Students must attend placement during the standard placement block once dates are confirmed. Failure to attend may result in delays to course progression. Students are not permitted to source their own placements.**

Students will complete only one placement unit based on their enrolment instance. For example, students enrolled in EDU4007 will complete one instance of the placement unit during the semester in which they are enrolled.
